

Guide to Quilting Charges

from April 2015

Prices are calculated per square foot. Measure your quilt top in inches. Multiply length by width and divide by 144 to find square feet.

All-over or e2e patterns - budget \$3.00

standard \$4.55, intense \$5.55

Basting for hand quilting \$1.60

***Set-up charge (per quilt) \$25**

****Preparing backing fabric \$10 - \$20**

Bindings 20c per inch sewn one side only

Bindings 40c per inch machine sewn both sides

2.4m wide batting (Matilda's Own or Cosy Cotton)

wool/polyester \$24.00 per metre

cotton \$24.00 per metre

King size, bamboo & charcoal wool/poly also

Backing fabrics 3m width

(from \$36 per metre)

Calico quilt bags \$10.00

Embroidered quilt labels \$37.50

**Includes consultation, thread, and setting up on the machine*

***Joining and/or extending if necessary*

Prices may vary as each quilt is individually priced according to the amount of quilting required and time involved. Prices may be increased without notice. Fixed price invoice given when quilt received.

Tips for getting the best result from your quilt

Backing and wadding must be larger all round than your quilt top. Please make them at least 8" longer and wider (or 4" all round)

Backing needs to have straight edges on all sides.

Quilting will work best on a top which is sitting flat with borders which are not tighter or more loose than the centre.

Avoid the use of very stiff fusible webbing.

Always use quality backing fabric and wadding (natural fibres are best).

KoolKat can provide suitable backing and wadding.

Use registered post for safety when sending your quilt - ask about our free delivery service!

Extra charges will apply for basting ric-rac and other items, trimming and joining backings, removing pins and stitching.
