Kat's Kreations & Quilts– Open Studio September 20-27 open 10-4 daily.

7 Crestview Crescent Blue Mountain Hts, Toowoomba.

Since 2003, Kat Adams has owned and operated her long-arm quilting business KoolKat Quilting. Together with husband Geoff, thousands of quilts have been completed for happy customers over that time.

Kat has also designed and made exhibition quilts, quilts with patterns available, and many of one-of-a-kind hand-crafted bags, runners, rugs, cushions and covered journals.

In order to make room for new work, Kat is offering many quilts and other items for sale. The higher priced items may be negotiable in terms of payment options. These award-winning quilts are true originals, never to be repeated or re-made.

Visit Kat's studio to see textile items being made and long-arm quilting demonstrations. Gold coin entry, proceeds to Lifeflight.

Visit the QSTT Quilts, Stitches and Textiles Trail - part of the official 2019 Carnival of Flowers program.
